## YOUR SOCIAL JUSTICE PODCAST PLAYLIST

Compiled from the recommendations of the Vital Voices Team

### **UNLOCKING US WITH BRENE BROWN**

RELATIONSHIPS · 2020

Recommended by: Kristen McAvoy

Unlocking Us explores what it means to be human: honest, unpolished, and magic. Through conversations, Brown uncovers the human experience from different perspectives and ultimately shows that we are not alone.

---

### **CODE SWITCH**

NEWS · 2016-2020

Recommended by: Alex Maple

Hosted by journalists of color, Code Switch tackles race from every facet whether it be politics, pop culture, history, or sports. We are all part of the equation, and this podcast brings everyone into the conversation.

HER LEAD

### JUSTICE IN AMERICA

NEWS · 2018-2020

Recommended by: Amy Hegg

If you're interested in criminal justice reform, then this is the perfect podcast for you. Each episode covers a new issue, and you will walk away with a better understanding of mass incarceration and how to fix it.

---

### POD SAVE THE PEOPLE

POLITICS · 2017-2020

Recommended by: Madeleine Boyd

Activist Deray Mckesson explores current events, culture, and social justice along with Sam Simyangwe, Kaya Henderson, and De'Ara Balenger. For a deeper understanding, Mckesson also sits down with experts, influencers, and leaders to discuss relevant issues.

---

### NICE WHITE PARENTS

SOCIETY & CULTURE · 2020

Recommended by: Amanda Luz

This short-series podcast delves into the multitude of problems when it comes to American public schools. It points to a powerful culprit: white parents.

## HER LEAD

### THE VOICES OF QUARANTINE

#### **VOICES OF QUARANTINE**

SOCIETY & CULTURE · 2020

Recommended by: Raphaelle Godinho

Spurred by the global pandemic, a group of Global Teen Leaders came together to share people's experiences during this time of uncertainty to create solidarity and hope during a time of isolation.

---

#### **GURLS TALK**

SOCIETY & CULTURE · 2018-2020

Recommended by: Francesca Drumm

Led by Adwoa Aboah, this podcast is a source of empowering female conversation. Aboah and her guests engage, share, listen, and take control of their lives.

---

#### **INTERSECTIONALITY MATTERS!**

NEWS · 2018-2020

Recommended by: Regina Da Silva

Hosted by critical race theorist and activist Kimberlé Crenshaw, this podcast delves into issues of race, capitalism, sexism, and other forms of oppression that shape life in America.
